@WahawkBands

Hey Band!

We had a great year in the Wahawk Band! We had a ton of progress all year in every way possible: improved performances at marching band competitions and jazz band festivals, higher quality band concerts, more students in honor bands, and better lesson and rehearsal attendance. We are also excited to welcome Mr. Dobbs to the Wahawk Family!

Next year, we are looking to build on those successes. In the Wahawk Band, we strive to build a culture of family, excellence, and learning. As a returning band member, your role is integral to achieving those things. Remember our motto is "Excellence is the constant pursuit of perfection," and we can't wait to continue to pursue perfection with you.

Everybody in band plays a very important role, and we cannot have success without dedication from everybody. Everyone is expected to make mistakes, and they are also expected to learn from those mistakes. When one person gets better, it is to the benefit of everyone. The reason that we push these ideas is because band and music are different than any other activity. Everyone is always playing, participating, and contributing. There is no bench, no back-ups, and no substitutes, meaning that every student and their contributions are important to our success. All we ask is you be the best you possible.

The other idea we emphasize is having fun. Mr. Kleinheinz always says, "It is fun to be good." Obviously, when the music and performances are good, we have a great time. It instills a sense of pride and confidence in students, parents, band staff, and the directors to be associated with the Wahawk Band. Hard work in rehearsals pays dividends in performances. The other part of the fun is our band family. Students and parents continue to create and strengthen bonds of friendship that will last beyond high school.

We look forward to continuing the tradition of success in the Wahawk Bands and helping to make your participation in band one of your favorite high school memories. Success is waiting for you. You just have to show up and take it!

The best place to get information about the band is on our website. We post everything there. You can find our calendar (up-to-date for next year already), a link to join our mailing list, current fundraisers, information about our booster program, plus postings of videos and recordings of our performances.

Please visit the website and join our mailing list to keep up with all of the summer updates and keep informed about all of the happenings in the band. This summer we will be sending out part assignments for marching band, posting recordings of the show, and posting updates for camp.

If you have more pressing questions, please e-mail Mr. Kleinheinz, Mr. Dobbs or Mr. Sanders or try calling the Instrumental Music Office. E-mail would be best because we are not always in our office to receive phone calls.

Instrument Rentals

We have instruments available for baritone/euphonium, tuba/sousaphone, bari sax, bass clarinet, bassoon, and oboe. We do have some of the other instruments available and will work to find instruments that are needed if we do not have them. We charge a rental fee of \$50/year for each instrument used. This is used to help offset the cost of repairs and cleaning.

To help us be ready for band camp, please let us know if you will need to rent a school instrument. You can email Mr. Kleinheinz (kleinheinzd@waterlooschools.org) or call the band office and leave a message (433-2721). Make sure to tell us what instrument you will need to rent.

We strongly encourage ownership of instruments. We have found that students take better care of their own instruments and are generally more committed to playing if they play their own instruments.

If you own your instrument, the summer is a great time to take it in for cleaning and maintenance. It is imperative that students have an instrument that is in good working condition at the start of the school year. Regular maintenance and cleaning can save money in the long run, similar to an oil change for your car. You'll pay less for periodic maintenance than

major repairs later. Instruments can be taken to Grady Instrument Service, West Music, or Tenor Madness. Make sure you tell the repair shop when you'll need it back.

Marching Band Summer Dates

Marching band rehearsals will start during the first week of August this year. Students who do not attend band camp may not be able to participate fully in our show. What You'll Need For Band Camp

We will be outside a lot during band camp, so please plan accordingly. This summer, go outside and do something physical so you are comfortable being in the sun. When you come to camp, **bring water, sunscreen, sunglasses, and a hat. Always wear tennis shoes.** If you show up in sandals, you will be asked to change into suitable shoes for marching. This is for your own safety when marching. Here are a few items you should bring with you to band camp:

A small notebook – You will need this the first week of camp. Here are some examples of small notebooks that would work well. Make sure it is spiral-bound.

School Year Calendar (Marching Band Only)

This letter only includes dates for the marching band season. All other dates can be viewed on our website (www.wahawkbands.com).

During the marching band season, rehearsals start during the “0” hour at 7:00 am. Students will receive academic credit for marching band! This also means the school attendance policy will be used for these rehearsals, meaning students will be counted tardy if they are late. If rides may be an issue, please let us know and we can help to find one. With so many students in marching band, it’s easy to help find a ride.

We hold one night rehearsal a week on Monday night from 6:00pm – 9:00pm. Students must attend these as they are where we get the bulk of our work done. There will be occasional weeks where we will move the rehearsal to Tuesday night to facilitate Orchestra and Choir concerts or Mondays when there is no school. These can be found on the calendar on the band website.
