

West High School Wahawk Band

Sponsorship Program

Dear West High School Band Supporters,

I hope the year has been treating you all well! We have some great news, in that the West High Band Boosters have made payments on a semi-trailer to transport our Wahawk Marching Band equipment and uniforms. This is due to program growth and the age of our current trailer. Along with the cost of the trailer itself, West High Band artwork has been added on the outside of the trailer, customization to inside of the trailer to fit our needs, and hired out the hauling the trailer for performances. All and all, this is a worthy but substantial investment for the West Band Boosters.

Presently, the West High School Band is in the process of kicking off a sponsorship Ad Campaign to help fund important educational opportunities for West HS Band Students, like music clinicians, fees for music festivals, providing supplemental instruction for the marching band, student leadership training, providing music and choreography for our students, and offset the semi-trailer expenses. We want to invite your organization to consider becoming a two-year sponsor with a few options of sponsorship levels to consider!

We will be sure to recognize your contribution by listing your Ad Logo/Name on our new trailer, on our social media platforms, announcing at home FB games, as well as in our concert programs. Further details are listed on the back of this letter.

THANK YOU ALL in advance for your help in achieving our program goals! Partnering with our Community is so important for our Band program! If you have questions, please do not hesitate to contact Jason Dobbs at 319-433-2721, at dobbsj@waterlooschools.org(best) , or stop at the High School.

Sincerely,

West High Band Boosters and Band Directors Jason Dobbs, Danny Kleinheinz, and Luke Sanders
